BIG PROFITS Small Investments.

Returning property will make many rich, but nowhere can they make so much within a short time as by successful Speculation in Grain, Provisions and Stock.

\$10.00 FOR EACH DOLLAR INVESTED can be made by our **Systematic Plan of Speculation**

originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of men in all parts of the United States who by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. **ALL FREE.** Our Manual explains margin trading fully. Highest references in regard to our standing and success.

HERB MEDICINE CO. SPRINGFIELD, O.

G. W. Evans, Jr., of Richmond has received an appointment to a clerkship in Washington. The appointment was made at the request of Congressman McCrery.

It is said that the Negro agitator Ellis, who duped 800 Negroes into colonizing at Tabulo, Durango, in old Mexico, and then practically enslaved them, has been compelled to free the Negroes and conduct them back to the American border.

Craddock has something to beat everybody else. In a recent issue we referred to an Aberdeen hen that is raising a family of kittens. Craddock says: "That's nothing. A lady in Paris set an old goose on nine eggs and hatched out eight goslings and a kitten."

Fire Insurance—Duley & Baldwin.

If the care of the hair were made a part of a lady's education, we should not see so many gray heads, and the use of Hall's Hair Renewer would be unnecessary.

The sun's glare is most trying on that sensitive organ—the eye. Out of doors the bright light causes intense pain, and many people go about with half-closed eyes. Prompt relief from this unpleasant feeling is had with glasses, correctly fitted as to kind and color. And from our long experience, we know just how to fit them.

BALENGER, Jeweller and Optician.

Constipation, an exceedingly dangerous condition of the bowels, is nearly always the result of carelessness and inattention to the calls of nature. To correct irregularities and restore healthy movements, the best aperient is Ayer's Pills. They are easy to take.

The following was painted on the tailgate of a mover's wagon occupied by a Kentucky family which passed through Stanford last week enroute home from the wild and woolly West: "Nebraska for starvation, Colorado for irrigation, Kansas for stagnation and Populist Administration. Hell and damnation, I'll go to old Kentucky to my wife's relation."

Well Satisfied with Ayer's Hair Vigor.

"Nearly forty years ago, after some weeks of sickness, my hair turned gray. I began using Ayer's Hair Vigor, and was so well satisfied with the results that I have never tried any other kind of dressing. It requires only an occasional application of

AYER'S

Hair Vigor to keep my hair of good color, to remove dandruff, to heal itching humors, and prevent the hair from falling out. I never hesitate to recommend Ayer's medicine to my friends."—Mrs. H. M. HAIGHT, Avoca, Nebr.
